Notes :

- 1) The AGM/public meeting in 2019 was on a much smaller scale than that of 2018, with no advert in the Journal and a smaller room.
- 2) The donations to CND were contributions towards the public liability insurance policy which also covers our own events
- 3) The Festival of Ideas was part of the Salisbury International Arts Festival. Salisbury CND had an information stand at Salisbury Playhouse for some of the events.
- 4) The Other campaigning expense is the hire of the Maltings stall (£25)
