Late Saturday afternoon, there was a candle light vigil in Salisbury calling for a ceasefire in Gaza, Israel and the West Bank. It was organised by Salisbury Campaign for Nuclear Disarmament, taking part in a nationwide campaign, together with Sarum Concern for Israel and Palestine. It was attended by a wide range of people with a commitment to peace.

A spokesperson for Salisbury CND said “The humanitarian disaster is appalling to witness. Our politicians must join the worldwide effort to bring about a ceasefire, without delay.”

There will be a further national protest next Saturday 25th November in London.
