

# FOR A FAIR DEAL

Manifesto 2024

This election is our chance to win the change our country desperately needs.

**Every vote for the Liberal Democrats is a vote to elect a strong local champion who will fight for a fair deal for you and your community.**

A fair deal where everyone can afford a decent home somewhere safe and clean – with a comfortable retirement when the time comes.

A fair deal where every child can go to a good school and have real opportunities to fulfil their potential.

A fair deal where everyone can get the high-quality healthcare they need, when they need it and where they need it.

**That is the fair deal the Liberal Democrats are fighting for.**

This manifesto sets out Liberal Democrat policies and priorities for the United Kingdom. The Scottish and Welsh Liberal Democrats set their own policy on devolved matters, and for those policy areas, the proposals here apply to England only. Our sister party, the Alliance Party of Northern Ireland, makes its own policy on devolved issues in Northern Ireland.
