

Pictures from Kyoso Junior High School in Hiroshima

This is the link to the school's website
<https://www.shudo-u.ac.jp/fuzoku/talk/202407/20240718.html>

To all the student who produced these lovely lanterns for us, a huge thank you!
It means so much to us to float your creations down the river with our own candles.
We value this link between us.
