Salisbury Ceasefire Vigil

One Palestinian child killed every 15 minutes in Gaza

Didn't reach their first birthday (0 years old).
Killed before they could take their first steps (1 year old).
Weren't able to voice their first words (2 years old).
Died a toddler (3 years old).
Deprived of the joys of preschool (4 years old).
Didn't make it to primary school (5 years old).
Silent playgrounds (6 years old).
Broken young friendships (7 years old).
Empty classrooms (8 years old).
Didn't reach double digits (9 years old).
Life ended before adolescence (10 years old).
Lived through 3 wars and killed in the 4th (11 years old).
Didn't make it to teenage years (12 years old).
Time frozen in middle school (13 years old).
Short lived teenage life (14 years old).
So much life un-lived (15 years old).
Unrealised potential, unfulfilled dreams (16 years old).
Lived through 4 wars killed in 5th (17 years old).
